

# National Taiwan Normal University

## Application for Access to e-Portfolio System

The e-Portfolio system is designed to help students record the various activities during their studies at NTNU, including participation in school events, awards won in competitions, work-study on campus, teacher education training, course records, scholarships, lectures and performances, five educational dimensions activities and professional certificates, and off-campus activities, with the hope of enhancing students' learning efficiency and assisting them in their future studies and career.

To provide access permission for the person handling e-Portfolio matters at each unit, please fill out the following basic information and send the signed copy, scanned or photograph, of the "Consent Form for Collection, Processing, and Utilization of Personal Data" and "Non-Disclosure Agreement" to the Holistic Education Center.

Applicant unit: _____
Undertaking person/Title: _____
Work matter requiring the use of e-Portfolio: _____
Contact number: _____
Email/system account: _____@ntnu.edu.tw [Note] The e-Portfolio system username and password is the same with that of the iPortal.

Undertaken by the Holistic Education Center, Office of Student Affairs
